

Label for a Cause

Purchase name labels for your children’s clothing + gear and support Melanoma Awareness + Education programs for kids.

The Bad News...

Melanoma is the second most common cancer among people ages 15-29 and the incidences of melanoma have increased dramatically in Canada in recent years.

The Good News...

If caught in its early stages melanoma is highly treatable, with a survival rate of close to 100%. Most importantly with sun safety Melanoma can be prevented altogether.

How to order:

1. Go to mabelslabels.com to shop for your labels.
2. Click the ‘Support a Fundraiser’ button in the top right-hand corner.
3. Click ‘Select your school/organization’ drop down menu.
4. Scroll down to ‘T’ for ‘THE Douglas Wright Foundation’.
5. Shop away! 20% of the proceeds of your sale will be donated to the Foundation.
6. Tell your friends! Every order helps!

We are encouraging orders this week until Sunday June 26th but the Douglas Wright Foundation label account will be active year round and ready for support.

View label samples in the Trust lobby this week June 20-24

Ready to get organized?

1. Labels are as easy as peel + stick (or old school iron on available as well).
2. Fully customizable with fun and easy design options.
3. Endless label utility (shoes, waterbottles, toys, etc.)
